PROFESSIONAL BACKGROUND

VANDERBILT CODING BOOTCAMP - GRADUATE

April 2020 - October 2020

Learned full stack web development at an incredibly fast pace.
Learned multiple different technologies once a week.
Worked fully remote during the six month course which taught me how to be a self-starter.
Worked in teams to complete projects and mini-projects.

FINE DINING SERVER

Henley by Kimpton | August 2018 - March 2020

Maintain ongoing knowledge of all wine lists, spirits list, beers, and cocktails.
Practiced healthy communication with all team mates and guests which led to a joyful environment and returning customers.
